How to use this itinerary

Select the hotel category, departure date and passenger band. All package prices are USD per person. Double and triple mean sharing that room type; single is the full single-room price. The single supplement is shown for reference and must not be added to the single price.

Hotel names appear in overnight order above every dated price chart, with night numbers, room types and meal plans. BB means bed and breakfast. Child no-bed and extra-bed amounts are the saved tariff values. Child ages and room limits require confirmation.

The date bands follow departure validity, including tours crossing month-end. Match the exact dated hotel selection. Entrance fees appear in the appendix as separate reference amounts; check the itinerary inclusion notes before quoting.

Review edition

Prepared from the saved Tour Library tariffs checked on 09 September 2026. Hotels remain subject to availability. Conflicting or incomplete saved terms are flagged in the package conditions. Most entrance-fee records have no saved validity dates and require travel-date confirmation.

Experience-specific conditions

Madu River: USD 5 per adult is the group rate. The saved private-boat reference is USD 30 per boat for up to six passengers; use the boat option instead of the group per-person amount and confirm inclusions. Fish massage is listed separately at USD 5 per adult.

Safari and whale-watching rates are based on a minimum of two passengers where stated in the master. Confirm whether jeep, guide, taxes and park components are included before making a final total. Train tickets and all optional activities require availability confirmation.

Zero-value records without a Free Entrance label are shown as On request. The chart uses current master references rather than older package-specific entrance amounts, which can differ. No B2B/B2C selling markup has been added to these entrance references.
